## - Seminars -

**Is there a more beautiful place to bring your colleagues for an incentive or team-building trip?**

Pralognan offers a wide variety of lodging options for every budget within a short distance of the village center in order to encourage non-motorized transportation and offer a wide range of activities for this type of meeting (snowshoe-zip line outing, biathlon, dog sledding, ski joering...).

Mountaineering professionals (ESF ski instructors and the guide services) are accustomed and recognized for their ability to orchestrate fun team building activities.

Another plus, a full offering of spacious meeting rooms for seminars either at your accommodations or in the ice rink building (which also allows you to organize activities on or off the ice) or run by the municipality.

# Spring skiing

Why put your skis away when the long sunny days of spring arrive?

Thanks to just the right aspect and copious amounts of snow, Pralognan is an ideal location for spring skiing, whether alpine or cross-country skiing, or even backcountry skiing.

As a paradise for backcountry skiers, Pralognan offers incredibly beautiful routes for all enthusiasts at this time of year, enhanced by the possibility of spending the night in one of the four staffed mountain huts.

Total immersion in the heart of this beautiful and well-preserved all-natural environment can be organized and guided by a professional from the local Guide Service through all-inclusive packages.

So many reasons to (re)discover legendary places like Col de la Grande Casse Pass, La Réchasse, as well as so many others.

Winter outings, by their nature, depend on the snow conditions and weather.

Contact a professional for more information before starting your trip.
